

KAVLI COLLOQUIUM

Thursday
22 November 2012

TU Delft, Faculty EWI,
Lecture room A

Bonnie Bassler, Princeton Tiny Conspiracies: Cell-to-Cell Communication in Bacteria

Bonnie Bassler

Pre program

15.00 hr:

**Science and background of
the Noble Prizes**

Speakers:

Christine Mummery (Leiden)

The 2012 Nobel prize in medicine

Miriam Blaauboer (Delft)

The 2012 Nobel prize in physics

Marie-Eve Aubin (Delft)

The 2012 Nobel prize in chemistry

15.45 hr:

Break

16.00 hr:

Kavli colloquium by Bonnie Bassler

17.15 hr:

Drinks and time to meet

Bonnie Bassler will give an additional lecture on 'Manipulating Quorum Sensing to Control Bacterial Pathogenicity' on November 23, 2012 at 10.00 hr TN building, Lectureroom G.

Kavli Institute of Nanoscience
